RE: UX Designer

Dear [Mr/Ms]

Upon learning about the UX Designer posting with the company. I was eager to contact you with my interest. When reviewing the job description. I was excited to see how well my experience aligns with your company's needs and position requirements. From reading your company's website. I feel your core mission and culture suit what I offer as a professional.

As an adept junior UX designer. I have a well-rounded skill set in process development, honed talents, and process improvement, making me an ideal fit for the UX Designer position. Further, I am an expert in visual communication and communicative collaboration. My previous roles have strengthened my leadership and problem solving capabilities, including a keen attention to detail and accuracy.

I am excited at the prospect of bringing my talents to the company. I look forward to hearing from you. At your earliest convenience, to discuss how my experience and qualifications will prove valuable in the UX Designer role.

Thank you for your time and consideration.

Sincerely
Mpumelelo Dube
